

2024 Sponsorship Information

Dear Sponsor:

Thank you for your interest in sponsoring a meet during the NATC elementary cross country season. We believe that offering a running program enhances not only the health of the youth in the community but also the educational opportunities to each participant. Your support is crucial to the success of the program. Last year the NATC runners ran a collective 12,500 miles and included more than 500 runners. We could not have done that without the support of our financial sponsors.

We have attempted to keep the costs of this program to a minimum both for the participants and the community supporters. All Board Members volunteer and contribute both their time and money. Coaches are also volunteers. The primary costs of the NATC cross country program are liability insurance, participant team shirts, promotional supplies, and race awards. Last year, through the generosity of some of our sponsors, we were able to offer many scholarships for the participation fee (we turn no one away based on the ability to pay) and even provided new shoes for a few families in need each year. Both your time and your financial donation are greatly appreciated by not only the NATC volunteers but also the kids that participate.

Meet Sponsor:

For your donation of \$1,000 we will provide awards in your name to the top 10 finishers in the boys, girls and second grade races as well as team trophies. Sponsors are encouraged to attend the meet to present awards at the meet they sponsor. If fact, we suggest all small business sponsors encourage their staff to volunteer at the meet they sponsor. Last year many sponsors and their employees truly enjoyed helping at the meets. Contact me for more details on race day volunteer spots. We love being creating and showcasing your partnership with the program.

If you are willing to sponsor a meet please sign below to indicate your acceptance and return a copy with your donation to Justin Endres, P.O. Box 153, New Albany, Indiana 47150.
